ZORBING

2 Person Harness Ride
The Ultimate Adrenalin Experience

- Option 1 - 2 People - £20.00pp**

2011 We have designed a new Zorbing course. Rather than 1 long ride we have shortened the course. We have done this because of customer feedback; we found that most people enjoyed a shorter ride.

Because of this each person now gets 2 rides! Rather than just 1 long ride.

The other advantage to this is that you can pick a different member of your group to go down with the second time!!
